

2018 HIMS Basic Seminar Credit Information

We will continue to update this page on credits as information and approvals become available.

CME's for Physicians and Psychiatrists

CME credits will be provided to those that attend the seminar. The amount of CME credits are being determined by the accrediting board and will be posted when available.

CE's for Psychologists

15 Continuing Education credits (CE) will be offered during the 2½ day 2018 HIMS Basic Education Seminar. CE for psychologists will be awarded only to those participants who attend all of the CE programs offered each day to psychologists. There are seven CE approved programs offered on Monday, September 24, 2018, five CE approved programs offered on Tuesday, September 25, 2018 and three CE approved programs offered on Wednesday, September 26, 2018. Participants must sign-in at the beginning and sign-out at the end of each day on those days they attend the CE approved presentations. A certificate of attendance will be distributed at the end of each day for each day's presentations.

The American College of Professional Neuropsychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The American College of Professional Neuropsychology maintains responsibility for this program and its content.
